SUBJECT: KH-7 Mission Data

1. This note is to advise you that COMOR finds that the KH-7 mission data which you have been providing have proved extremely useful.

2. We are confident that the pre-mission ephemeris information is making it possible for COMOR to provide maximum guidance for the effective collection of information of intelligence concern. Furthermore, the data contained in the [redacted] series have made it possible to respond to a recent request from the Chairman, USIB for a study evaluating the KH-7. (This study has been disseminated to the Board as USIB-D-41.18/6.) You will note that the analysis depended heavily on information made available by your office. 50X1
